ACTIVITIES & INTEREST

Professional Piano Player

I've been an active musician for over 12 years, collaborating with several bands across Hyderabad. I currently perform as a core member of "Chitrapuri Talkies," a well-known band known for blending contemporary and regional sounds.

PROFESSIONAL SUMMARY

Creative UI/UX Designer with strong frontend development skills, specializing in cross-platform product design. Experienced in building design systems, interactive prototypes, and production-grade interfaces. Adept at simplifying complex workflows and delivering visually consistent, user-centered solutions.

WORK EXPERIENCE (6 Years)

Aiphant Technologies Hyderabad
UI/UX & Frontend Engineer

Hyderabad
Mar 2022 - Present

- **Healthcare Platform**
  - Designed AI-powered health summaries and an AI companion chatbot for personalized insights.
  - Led branding, visual identity, and end-to-end UX for web and mobile applications.
  - Built React-based product interfaces and reusable UI components.
  - Collaborated with product and engineering teams to refine workflows and feature logic.
- **Accessibility & Assistance Platform**
  - Designed AI meal-planning and AI decision-support assistants for user guidance.
  - Created accessible conversational flows, prompts, and guided interaction models.
  - Built mobile and tablet interfaces, implementing key features using Flutter.
  - Translated complex user needs into intuitive, user-friendly digital solutions.
- **Entertainment & OTT Platform**
  - Contributed to UI design and frontend development across web and mobile.
  - Designed adaptive layouts for browsing, content viewing, and user engagement.
  - Built modular UI components in React/React Native with a consistent visual language.
